

MARYLAND PAIN & WELLNESS CENTER, P.A. MEDICATION REFILL POLICY

Please ask for a prescription refill at the time of your appointment. Be sure you have an adequate supply of medication to last until your next appointment.

Also, please note: Opioid refills (such as morphine or hydromorphone) are only given for a one-month period of time and cannot be refilled over the phone or on weekends. Patients **must** make an appointment to see one of our medical providers or physicians to refill opioid prescriptions.

To request a non-opioid prescription refill, please contact us:

Phone: (443) 672-2600 or (301) 926-8400

Monday through Thursday, 9 a.m. - 5 p.m. and on Friday, 9a.m. - 1 p.m.

Requests for opioid refills must be made to our office **seven** days in advance and must occur Monday through Thursday, between the hours of 8 a.m. - 4 p.m. excluding holidays. There will be no existing medication refills at night, weekends or holidays.
